In response to the Office Action dated October 30, 2007, please amend the above-identified application as follows:

Applicants note that the Examiner has listed 64 claims as the total number of claims filed, and has acted only with respect to that number. Applicants' docket as filed had 66 claims and so Claims 65 and 66 are included in the claims section and are withdrawn from consideration as they are dependent on claims which were not elected.
